ment calling for recruits for the Seventh Ken-
tucky Cavalry Regiment, commanded by Col.
Leonidas Metcalfe, who a few years after-
ward killed W. T. Castle in the famous duel at
Dover. The poster goes on to say that \$40

THE Times-Star seems to have only recently discovered that Senator FORAKER is against Judge TAFT.

SI SLOKUM FORAKER should "be keeful" if he don't want to feel the heels and listen to the "hee, haw!" of Maud TAFT.

SPEAKING of family troubles, those that VESPATIAN WARNER stirred up were not half bad. "Pash" ought to have his pension increased.

NOW THAT Ohio has spoken and offers her big-hearted and big-brained son—TAFT—as her Presidential candidate, the campaign is now on in earnest. Hooray for BILL TAFT!

GOVERNOR BECKHAM has named several Kentucky Colonels as delegates to the National Irrigation Congress soon to be held at Sacramento, Cal. Kentucky Colonels at an irrigation meeting! It is to be hoped they will make a noise like a water wagon.

It is not so much that POWERS objected to Judge ROBBINS. It is the people of Kentucky who are objecting to a continuance of this unheard-of farce and this unconstitutional prosecution of a citizen who demands a fair trial and cannot get it. One more "unanimous conviction" of C. C. POWERS by a "Democratic Jury" and a Beckham Special Judge, will cause such a howl of indignation to go up over the land as was never heard before. It is time to call a halt.

HERE'S a hoping that the genial JIM HARGIS may live long enough to get what is coming to him—The Lexington Onlooker.

BRYAN's statement is, in substance, that every time he puts a plank in a platform Roosevelt mounts it and shouts "Hooray!"—Atlanta Constitution.

A CHICAGO Labor Union is having a row over what constitutes a "Union-made coffin," and the Union declares that "no self-respecting woodworker would be buried in a coffin built by a non-Union carpenter. We will be cremated first." Alas! Poor YORICK!

GOVERNOR W. S. TAYLOR, of Kentucky, very properly and prudently declines the Hon. R. B. FRANKLIN's invitation to return to Kentucky and testify in the Caleb Powers case. TAYLOR would only appear to make a spectacular show of himself for the amusement of the Goebelites. One thing is certain, history hardly records a parallel of this case—of a fairly elected Governor of an American state being driven from his office by the defeated party and compelled to live in exile in a neighboring Commonwealth. We hope to live long enough to see God right the wrong inflicted upon W. S. TAYLOR, Kentucky's exiled and legally elected Governor.

PROOF OF HIS INNOCENCE.

The Circle.

A Southern Negro was brought into the Courtroom, accused of stealing a neighbor's chickens.

"Mister George Washington Shintopp, did you steal those chickens?" asked the Judge, pointedly.

"No, sah, Jedge; Ah is tue 'spectable fo' dat."

"But it is stated on good authority that a bundle of feathers was found in your back yard the day before Christmas."

"Dat 'sinneration, Jedge, des proves mah innocence, coz how could de fadders be found in mah back yard de day befo' Chris'mus, when mah wife didn't pluck dose chickens untill de day after Chris'mus?"

In France the average yield of wine is 112 gallons to every acre of vineyard; in Spain it rises to 130 gallons per acre; but Algeria holds the record with 300 gallons to the acre.

RUGGLES CAMPGROUNDS

Splendid Meeting Now in Progress at this Beautiful Resort

RUGGLES CAMPGROUNDS, Aug. 1, 1907. This has been a big week day with us. The attendance of visitors being quite large and each service has been largely attended, especially the one this evening, at which time the Tabernacle was nearly filled. This being the day for the annual memorial service, no doubt drew many here. That service was held at 10:30 this morning. The following persons who have been intimately associated with Ruggles Campmeeting have passed away during the past year: Mr. Robert T. Marshall, Mr. Sam G. Parsons, Mr. William N. Stephens, Mrs. Dr. Birdick and Mrs. Franklin Bradley. The memorial sermon was delivered by Dr. Thomas M. Hanford, prior to which the Sacrament of the Lord's Supper was administered to a large number of communicants.

The Young People's service has taken on new life since the committee appointed has gotten to work. The attendance this afternoon was double that of any previous August service of the kind. The addresses were made by Revs. H. W. Buntun and J. M. Ackman. The singing of the male quartette was a splendid feature of this meeting. We hear so many good and complimentary things said about the quartette that we must desist in saying more at the present.

A larger crowd attended the evening service than at either of last Sunday's services. The sermon was preached by the Rev. William Jones. A special feature of this service was the enthusiastic singing. Our people have taken up the famous "Glory Song" which has become so popular in a large number of the big revivals and are singing it with great vim. At a meeting of the Ruggles Campmeeting Association the following Board of Directors was chosen: Ministers, F. W. Harrop, J. D. Walsh, G. W. Buntun, John Cheap, L. R. Godby and G. N. Jolly; Laymen, I. M. Lane, John Craze, John G. Brodt, George Kelley and M. A. Wallingford. Messrs. W. H. Thomas of Tollesboro and Robert Jones of Epworth were elected members of the Association.

The census was taken today with the following result: There are 325 campers this year, of this number 266 are adults and 59 are children. There are seven states and forty-four different places represented. The different Churches are represented as follows—Methodist Episcopal 136, M. E. South 29, Christian 27, Baptist 11, Presbyterian 5, New Lights 2, Episcopal 2 and Roman Catholics 2. 103 have no Church affiliation. Mrs. N. C. Rudy, Miss Jennie Rudy and Mrs. Hattie V. Matthews attended the meeting today. Mrs. Rudy will remain until the meeting closes. Messrs. R. B. Griffith of Indianapolis and H. S. Lawwill of Plainfield, Ind., arrived today to be with their families until the close of the meetings. Miss Florence Tuggle is among the campers. She is the guest of Miss Mabel Walker. Master Chasler Parker of Maysville spent the day in camp. Misses Mary Lute Coryell and Phoebe Kennan of Orangeburg arrived this afternoon and will be the guests of the Misses Bean and Coryell during the remainder of the meetings. Revs. A. Boreing, J. U. Brown and H. W. Buntun left today for their homes and Rev. W. H. Davenport of Greenup arrived today. Miss Fannie Bierbower leaves for her home in Maysville in the morning. Mr. and Mrs. R. F. Gault of Shannon are among today's arrivals to stay till the meetings close. While Mr. I. M. Lane and his daughter, Mrs. Muse, were out driving this afternoon, Mr. Lane met with an unfortunate accident. They had driven over to Kirk's Springs and on their return he was in the act of getting into his buggy when the horse gave a start, giving him a jerk that wrenched his back in such a way as to cause him great suffering. He is under the care of Dr. O'Bannon of Mt. Carmel. He had intended going to Maysville in the morning on business, but will be prevented now from doing so. It is hoped by all that he will soon be all right again.

The home laxative should be safe

This one is. A good physic should always be kept in the house. Nearly every affliction to which the human body is heir, from a slight cold to a severe attack of liver or kidney trouble, is in a great degree due to improper bowel action and can be more quickly relieved and cured by cleansing the bowels than in any other manner.

The home remedy should be safe for all members of the family who may be required to use it. The average physic, such as the alleged mineral waters, which are nothing more or less than preparations of salts and carbonated water—similar to soda water—candied pellets and pills, will move the bowels, but in doing so they often leave the patient weak. No one should ever take a physic which makes him weak. If such a remedy is continued a terrible habit is created which will make it necessary that a physic be administered before the bowels can be induced to perform their functions.

Dr. Caldwell's Syrup Pepsin

is a safe remedy for the home. It is a stomach tonic which gives strength to the entire system and makes it possible for the bowels to act without further aid. It is so pleasant to take that children like it. It never causes pains or griping. All druggists sell Dr. Caldwell's Syrup Pepsin at 50 cents and \$1.00 a bottle.

Deadly to Tobacco Worms

The kind of Paris Green we handle is the most deadly tobacco worm destroyer you can use. It is strictly pure and therefore of greater killing power than Paris Green of uncertain quality. There's economy in the use of the pure kind. We should advise you to lay in a season's supply now, as

Henry Watterson has accepted an invitation to deliver an address on the opening day of the Bluegrass Fair at Lexington Monday, August 12th. Governor John A. Johnson of Minnesota has also been invited to speak.

Suit was filed at Lexington to break the will of Mrs. Susan P. Allen, widow of Dr. A. S. Allen, who died last March, leaving nearly all of her property, aggregating over \$20,000, to W. J. Longbridge, who was not related to her, and bequeathing to her relatives only small sums or nothing at all.

GETTING READY

To Open Republican Campaign at
Maysville August 19th

LOUISVILLE, Ky., August 2.—John C. Wood of Mt. Sterling, a member of the Republican State Campaign Committee and Chairman of the Speaker's Committee, arrived in Louisville last night and is at the Louisville Hotel. Mr. Wood came to see about opening the campaign, or at least getting things in shape for the opening gun, which will be fired at Maysville, August 19th, by Augustus E. Willson, nominee for Governor.

In regard to speakers he said that Secretary William H. Taft and Senator Joseph B. Foraker of Ohio had consented to speak in the state during the campaign and that Vice-President Charles W. Fairbanks had consented also to make a few speeches in the state during the campaign. None of the big guns will speak in Kentucky before late in the fall.

"In state campaigns," said Mr. Wood, "I have never been too strong on speakers outside of the state. It is all right in National campaigns but in purely state campaigns, speakers in our own state know the issues and will discuss them to a better advantage than men of National reputation who do not live in the state. However, outsiders add tone and strength to the campaign."

Mr. Wood will remain in Louisville until tomorrow, when he will go home and return in about a week to remain until the close of the campaign.

Miss Flora H. Brady, daughter of Joseph R. Brady and born near Sardis December 20th, 1865, died recently near Raymond, Rice county, Kansas.

The gage marks 147 and falling.

The river is again below a barge stage at Pittsburgh.

July was a record breaker in point of coal shipments from Pittsburgh.

The packets are having a heavy traffic in passengers, but freight business is light.

Motorboats are becoming popular on the Ohio. The boats are built at various prices ranging from \$300 up to \$3,000 or \$30,000, if the owner can afford to have a river yacht.

The Rivers and Harbors Commission has been called to meet at Pittsburgh on August 12th, when the practicability of securing a nine-foot stage will be thoroughly discussed.

On a recent trip of the Queen City, while the boat was near Marietta, Miss Anna Andrews of Sharon, Penn., en route to Cincinnati, in company with friends, became unconscious and fell from the hurricane to the boiler deck of the boat, sustaining very serious injuries.

It will be of interest to steamboatmen to learn that United States Supervising Inspector of Steam Vessels Major S. R. Crumbaugh, of Cincinnati, received a ruling from the authorities in Washington relative to the question whether or not boats which permit gambling can have their licenses revoked. The ruling is that unless a boat is used exclusively for gambling purposes, as was the case with the City of Traverse, which operated out of Chicago, a United States statute will be necessary to stamp out gambling on steamers of the merchant marine. The controversy was raised after the license of the City of Traverse was revoked, as it was reported that gambling was prevalent on several Ohio river excursion steamers and Major Crumbaugh asked headquarters for advice in the matter.

Owing to the slaughter of animals made necessary to supply the emblems the Grand Lodge of Elks at Philadelphia decided that Elks should not wear elks' teeth as jewels.

Regular monthly meeting Joseph Helser Post No. 13 at G. A. R. Hall, Cox Building, at 7:00 this evening. A. N. Ellis, Commander. John M. Shepard, Adjutant.

READ THIS AND PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Picard's Complexion Soap, a non-injurious, healthful soap. Talcum powder keeps the skin cool, allays heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

A FATAL MISTAKE.

Is Often Made by the Wisest of Maysville People.

It's a fatal mistake to neglect backache. Backache is the first symptom of kidney ills. Serious complications follow. Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes—Bright's disease. Read what a Maysville citizen says:

James D. Tolle, clerk at Wood Bros., meat market, and living at 117 Short street, Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passage of the secretions were too frequent. There was also a burning sensation at times. Hearing of Doan's Kidney Pills I began using them at finding great benefit continued their use until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have not had the least bit of suffering from my back kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take other.
